

Fearless Feathers

Kim Werth

Come to learn the intricacies of feathers with Kim Werth. We will explore different styles of feathers as well as how to bend them to your will. There is both lecture and hands-on learning lined up. We will start with the anatomy of a feather and end with putting thread to fabric. Hope we see you there for some fun and fancy feathering!

Supply List:

- sewing machine in working order
- the usual sewing notions
- 2 yards of fabric suitable for quilting
- 1 yard of batting
- coordinating threads
- grippy quilting gloves
