

## Summer Seascape

Kathy McNeil [www.kathymcneilquilts.com](http://www.kathymcneilquilts.com)

Learn to make the summer seascape from Kathy's Landscapes book. Discover the secrets that will bring your landscapes alive. Learn to choose fabrics that will create depth and dimension in your composition. Kathy will demonstrate turned edge applique with the APLIQUICK technique. If you are experience and confident with raw edge applique, you may choose this method also.

### Supplies:

A pattern is required for this class and includes: pattern, cover sheet, and instructions.

**Pattern Fee:** \$13.95 Summer -Order from my web store and bring with you

### Supplies:

Please bring the following items to class:

- **Basic Sewing Supplies**
- 
- **FABRIC LIST**
- 6" x 12" light gray or white and 6" x 12" red fabric for the light house wall.
- 4" x 6" black fabric for lighthouse and guard house eves
- 3" x 4" grey fabric for the stone wall at the base of the lighthouse
- 2" x 5" red roof print for the guard house; be sure it has enough contrast when placed next to the red stripes in the light house.
- 3" x 3" light grey for the lighter side of guard house; this print needs to be different from the grey used on the light house.
- 2" x 4" slightly darker grey for the shaded wall
- 2" x 5" gray for the sand
- 4" x 17" earth tone or beige print for the path
- 2" x 2" scrap white for the beach umbrella
- ¼ yd. batik with variation in color or shading, an ombre, or Stonehenge print for the rocks and breakwater.
- 4"x 12" grassy lawn print for in front of light house
- 5 x 9 for Dark Trees
- 2" x 6" light green distant breakwater
- Several 3" x 4" landscape scraps for a variety of bushes
- Tiny scrap pieces for the sail boat or fussy cut from pre printed fabric
- **You will complete the sky and water background at home but we will discuss tips and supplies in class.**
- 
- **For turned edge Appliqué; I will be teaching the [Appliquick method for turning your edges](#).**
- **You will need:** Appliquick turning rods, 1 yard Appliquick interfacing template material, and glue pen. These will be available to purchase in class or pre order with your pattern from my web store.
- Watch this free Youtube video demonstration — [https://www.youtube.com/edit?o=U&video\\_id=1B4kh1L\\_dbg](https://www.youtube.com/edit?o=U&video_id=1B4kh1L_dbg)
- Bring from home - Appliqué scissors, hand appliqué needle, pins. Instructor will have available in class.
- 
- **For Fusing;** bring 2 yards. of lite Steam a Seam 2 fusible paper. Appliqué pressing sheet if you have one.
- Small iron for class if venue allows. Paper scissors
